GLOCON#7 MUST-SEES

- Get energized and informed by interactive presentations from local and national speakers.
- Dr. Andrew Bernstein is back this year ready to give unique intellectual insights and life perspectives—always a GLO fan favorite!
- Attend adventurous social events, including a BBQ on Belle Isle and an evening cruise on the Detroit River with live band and dancing.
- Learn about our group and develop new friendships with other kindred spirits interested in reason, individual rights, and capitalism—and enjoying life!
- If you're traveling from out of town, there are plenty of places to stay, including comfortable accommodations in the homes of our friendly local members and reasonablypriced, newly-built hotels.
- We'll also be able to help with transportation from the airport if needed.
- We're currently accepting presentation proposals. If you are passionate about a topic and you'd like to attend for *free*, let us know!
